*The following pertains to the response from the Archbishop to our letter to him from our group. We took our letter to the AB and his response to us out of these memories due to the commitment we made of not publishing our letters or his. If anyone would like a copy, please call us at 303-832-4188.*

Dear concerned Catholics,

The May Day Catholics are meeting again on Wednesday, June 12, at our home (624 Lafayette St., Denver). We'll do the prayer and voicing as before, and then discuss developments since our last meeting, including the Archbishop's reply, the meeting of the steering committee, and plans for developing our statement of purpose.

Please plan to bring a small rock as your input to the voicing. Feel free to bring a friend interested in this issue. If possible, please let us know how many are coming so we can set up accordingly. Please reply by phone (303-832-4188) or reply e-mail.

For those of you who may not have received the Archbishop's reply in earlier mailings, a transcript appears below. If you feel moved to reply to his letter before the Archbishop leaves for the Dallas meeting with the other American bishops, you should do so soon. If you do so, we ask that you keep in mind the principles that underlie this group: peace, love, and clarity.

Marty and Diana Flahive
